COMPANY CULTURE

Safety first principle

Child-oriented principle

The principle of local conditions

The principle of combining man and nature

Through exploration and experience, children can develop their independent thinking skills and protect their curiosity.

Company Profile

Wenzhou Qiaohouer Playground Equipment Co., Ltd. is a professional supplier of swing set accessories in China. We were founded in 2008 by an enterprising team. Located in Wenzhou, Qiaohouer's main production Swing Seat, Toddler swing, Swingset, Swing Chain are sold all over the world.

The products of our factory meet the latest international safety and quality standards, have a strong development team and support customizer. Our mission is to let every child have a happy childhood!

- 1 -

OUR ADVANTAGES

Factory direct sales, price advantage.

Selling to end customers is our sales model. We are committed to establishing a globally distributed self-operated distribution network so that our customers can directly enjoy the best prices from manufacturers.

Research and innovation, technology leadership.

Continuous investment in R&D and design ensures that product design continues to innovate and technology continues to lead.

We have a strong new product R&D team, an enterprise integrating R&D, production, sales, and foreign trade, and advanced production equipment! We adhere to the concept of "integrity management, quality first, customer first, mutual benefit and win-win".
